

Majors League Rules – Tri-Town League (MO, LV, Lebanon)

2023

- Games are 6 innings, 5 runs max on all innings except for the last inning.
- All games will be no new inning after 1 hour and 45 minutes.
- 10 run mercy rule after the losing team has had an opportunity to 'bat' in four innings.
- Runners can steal any base including home.
- Runners can advance bases on fielding overthrows.
- Leading, dropped third strike, and in-field fly rules are in effect.
- Balks should be enforced, but only after a pitcher is given a warning. If a pitcher is warned, it should be considered a 'dead ball' and the pitch (if one was thrown) should not count. Umpires or coaches should explain to the pitcher why a balk was called to assist with the learning process.
- Balls and strikes are called letters to knees.
- Pitchers will pitch from 50 feet and the mound should always be measured before each game. Standard pitch counts apply.
- Everyone should be included in the batting order and players should have played at least 3 innings on defense in the field so we all have to rotate between the players on our rosters.
- Players must slide into all bases on close plays. No head first slides, unless returning to the previous base.
- The winning coach should input scores into the Sports Engine app.
- All rostered players must compete in at least half of scheduled regular season games to be eligible for playoffs.
- Make sure each player has fun!
